## Refresh of Customer User Acceptance Testing Environments

February 8, 2016

Dear Customer:

The National Finance Center will be conducting a refresh of the Customer User Acceptance Testing (CUAT) Environments:

- EmpowHR  
The EmpowHR CUAT USDA, DHS, and DOJ Environments will be refreshed on February 10 - 12, 2016. During this period, the EmpowHR CUAT environments will be unavailable. Once the refresh is completed, passwords will be reset automatically to mirror production.
  
- Payroll/Personnel System (PPS)  
The PPS CUAT Environment (IDMS60) will be refreshed on Sunday, February 14, 2016. All existing data will be purged.

Questions concerning this notification should be directed to the Applications Testing Branch at [NFC.PPSUAT@nfc.usda.gov](mailto:NFC.PPSUAT@nfc.usda.gov).
