

National Finance Center Customer Notification

TMGT Table 065 Fiscal Year 2017 Roll for Payroll and FEHB Default Codes

September 22, 2016

Dear Customer:

The National Finance Center (NFC) is actively preparing for the Fiscal Year (FY) 2017 Table Management System (TMGT) Table 065 Roll for Payroll and FEHB Default Codes. The timing of TMGT Table 065 2017 Roll process will change this year.

The pay period (PP) 19 payroll processing will occur on October 6, 2016. Since 13 of the 14 days in PP19 are in FY 2016, NFC will not roll the Payroll and FEHB Default Codes on TMGT Table 065 until after PP 19 payroll has processed.

In the event time is charged to Fiscal Year 2017 for October 1st, and the Accounting Code is invalid, it will default to the FY 2016 default code. The FY 2017 Payroll and FEHB Default Codes will be rolled on October 12, 2016, and the codes will be in place for PP20 processing.

Note: MASC Table 103 Accounting Code Roll for Fiscal Year 2017 recertified payments will be completed on October 2, 2016.
