Project 1220760 - Combined Federal Campaign (CFC) Pay Period 1, 2018

November 8, 2017

Dear Customer,

The Combined Federal Campaign (CFC) has launched its new donor pledge website, opening up the campaign's ability to accept online pledges for participating charities.

Federal employees may now visit www.opm.gov/showsomelovecfc a brand new, centralized giving portal for all potential CFC contributors across the nation to create their own profile, research charities, and then choose how they would like to support the causes they care about most by donating money or volunteer time. The site will also give Federal employees better access to manage their pledge information, charity payments, and more.

For additional information, access the link to the OPM News Release announcing the site opening: https://www.opm.gov/news/releases/2017/10/opm-launches-new-cfc-donor-pledge-website/
