Reminder: Fiscal Year End T&A Processing PP20

October 15, 2018

Dear Customer:

As a reminder, the National Finance Center no longer prorates accounting across fiscal years. Therefore, Agencies should not use stored accounting in Pay Period (PP) 20 instead prepare a single T&A distributing all time-in-pay status for each line entry to the appropriate accounting data for both FY 2018 and FY 2019. If further information is needed on fiscal year end processing, [please view the TA 18-02, Fiscal Year-End Reminder Bulletin](#).

Agencies may resume using stored accounting in PP21.
