Scheduled Firewall Maintenance – Wednesday, December 19, 2018

December 14, 2018

Dear Customer:

On Wednesday, December 19, 2018, the Information Technology Services Division will be performing maintenance on the National Finance Center's (NFC) Firewalls. Customers may experience intermittent outages on ALL NFC systems. The window for the changes will be between 6:00 p.m. CST to 10:00 p.m. CST.

A follow up notification will be sent once the scheduled maintenance has been completed.

If you require immediate assistance please contact the Operations and Security Center (OSC) via phone 1-800-767-9641, OSC Hotline (972)689-7182 or email at OSC.Etix@usda.gov.
