

## National Finance Center Customer Notification

# Update - Administrative Leave Act of 2016 (Weather and Safety Leave)

April 19, 2019

Reference Number: NFC-1553100534

Dear Customer:

The National Finance Center (NFC) is informing our Customer Agencies that the Office of Personnel Management (OPM) provided the final regulations on April 10, 2018, for the Administrative Leave Act of 2016, regarding Weather and Safety Leave. This type of leave will stand alone and be reported to OPM separately from other types of Administrative Leave.

The Transaction Codes (TC) and Transaction Descriptors (TD) in the NFC-hosted T&A systems (webTA and Paycheck8) were changed in Pay Period 18, 2018, as indicated below.

### **Prior descriptors:**

- TC 66, TD 34 Hazardous Weather
- TC 66, TD 21 Federal Holiday

### **Current descriptors:**

- TC 66, TD 34 Weather and Safety Leave
- TC 66, TD 21 Paid Holiday Time Off

Agencies who use a T&A system that is not hosted by NFC must work with their T&A system providers to have them make the necessary system changes to comply with this OPM mandate. It is an Agency responsibility to ensure compliance.

In Pay Period 05, 2019, as part of Project 1513997 / 30876 Administrative Leave Act of 2016, NFC modified its Payroll/Personnel System to create new fields that will be viewable in IRIS and IRIS Web, as shown below, for:
