

## Production Verification (PPS ONLY) - 2025 Annual Pay Raise Project 76401

January 20, 2025

Reference Number: NFC-1737064473

Dear Customer,

This notice is to inform all **Payroll/Personnel System (PPS) customers** that the National Finance Center (NFC) has completed production Personnel Input and Edit System (PINE) Pass 01 for Pay Period (PP) 01, 2025. A separate notification will be sent to EmpowHR customers upon completion of EmpowHR imports. Barring any unforeseen processing issues, we expect to have the EmpowHR application up and running for Agency verification on Tuesday, January 21, 2025.

Two reference web page links are as follows:

1. [2025 Annual Pay Raise Activities TIMELINE](#)
2. [2025 Annual Pay Raise Agency Status Report](#)

**Agency production verification can begin now for PPS customers only and should be completed no later than 12:00 p.m., central standard time (CST) on Wednesday, January 22, 2024.**

In addition, it is especially critical for Agencies to review error reports and correct the NFC auto-generated pay adjustment actions that are in suspense.

- Failure to correct actions that fall into suspense, for any reason, will prevent the employee from receiving their PP 01, 2025 pay adjustment.
- If an Agency deletes an NFC auto-generated pay adjustment action from suspense, the Agency will have to manually generate a replacement action.

The 2025 Annual Pay Raise Agency Status Report should be used to provide NFC with positive and negative feedback following completion of your production verification. **Agency Status Reports should be returned to NFC no later than 12:00 p.m. CST on Wednesday, January 22, 2025.**

Please be reminded that NFC will execute the production PINE Pass 02 job the evening of **Wednesday, January 22, 2025.**

Also, the **production Payroll Computation System (PAYE) Pass 01** job will be executed the evening of Thursday, January 30, 2025. The **production PAYE Pass 02** will be executed the evening of Friday, January 31, 2025.
