USDA Child Care Subsidy Administration Program

September 26, 2016

Dear U.S. Coast Guard Member:

The U.S. Department of Agriculture looks forward to administering the U.S. Coast Guard Child Care Subsidy (CCS) Program. As part of the transition, the CCS Program policies and requirements will remain the same. The USDA is taking steps to ensure that there will be no reduction in quality of service or increase in processing time. Also, please be assured that there will be no change in the current staff supporting the USCG (you will keep the same Agency Representative).

The USDA will begin accepting newly branded administration forms from families and providers for new enrollments, re-certifications, and enrollment changes on October 1, 2016. As of that date, CCS Program forms will no longer be available on the GSA website and can be found on a new USDA website that will contain instructions for submitting forms.

You do not need to take any action at this time. Effective October 1, 2016, please visit our website at https://nfc.usda.gov/FSS/clientservices/Child_Care_Subsidy/subsidies/USCG/index.php. This website will not be live until October 1, 2016.

During and after the transition, your program administration team and their contact information will remain the same. Please see their information below:

Julianne White, Program Manager julianne.white@gsa.gov (816) 823-4580
Judy Gonzales, Analyst judy.gonzales@gsa.gov (816) 926-7063

Our contact information is as follows (Note: We are keeping the current email address and phone number until further notice.):

USDA Pegasys Financial Services
Child Care Subsidy Administration Program (CCS)
