Operations and Maintenance Meeting Recap

Crocken-Leonard, Kenya - OCFO-FMS, New Orleans, LA 15:50

I'm reporting for Gerald today. We normally would have scheduled our October maintenance for the Sunday, the 25th of October. But however, this is year end and we don't want to do anything that would impact year end processing.

So we have decided to postpone our monthly patching until November, and those dates will be provided by Gerald and leadership. However, if there's something critical or something that's high priority that needs to come through the system, we will update the group. But for right now, the October monthly maintenance day of October 25th is postponed. And that's it for me, Floyd.

Miles, Floyd - OCFO-FMS, New Orleans, LA 16:37

Thank you, Kenya.

Are there any agency items?

Lazarous, Percy - FS, DC 16:44

Just to confirm.

Kenya, so the October there'll be no patching and completely skip and it'll be only in November, sometime in November, right?

Crocken-Leonard, Kenya - OCFO-FMS, New Orleans, LA 16:59

Well, the monthly one that we normally do every month at the end of the month, for right now, it is postponed. But if there's any critical or high priority issues that come about, we will perform those activities. And then we will definitely communicate that to all the agencies and all the representatives.

Lazarous, Percy - FS, DC 17:18

Thank you. I'm asking because I am responsible for all the Forest Service interfaces, so it's important for me. Thank you so much. Bye-bye.
