

USDA Child Care Subsidy Administration Program (CCS)
 United States Department of Agriculture

U.S. Customs and Border Protection (CBP) Child Care Subsidy Program (CCSP)
Notification of Expected Maternity Leave

The USDA, as the third party administrator for the U.S. Customs and Border Protection (CBP) Child Care Subsidy (CCS) Program, is authorized to provide CBP CCS payments for children currently enrolled in the program. Furthermore, program guidance allows for 6 weeks of care for the normal birth of a child or children, or 8 weeks of care for a cesarean section birth.

The Family and Medical Leave Act (FMLA) allows up to 12 weeks of leave in any 12 month period, however the CBP CCS Program only allows for benefits to be paid for a child or children currently enrolled for up to 8 weeks unless there is a medical related issue that arises. Any additional leave you anticipate beyond the standard 6 to 8 weeks must be reported to the USDA Subsidy Administration Section to determine your continued eligibility in the program.

Upon completion of this form, the CBP Employee is providing the USDA Subsidy Administration Section with their intended participation in the CBP CCS Program. This Notification Statement must be completed and signed by the Employee in order to qualify for, or continue to qualify for a CBP CCS benefit.
