

CPAIS User Support Resources

Additional Help Resources for the Corporate Property Automated Information System (CPAIS)

Users looking for answers to their CPAIS-related questions are encouraged to use the help tools available to them (see list below). If the answer isn't found using these resources, users are encouraged to contact their [Agency's Point of Contact \(POC\)](#) for further help from the CPAIS Help Desk.

Resource	Description
CPAIS Online Help	CPAIS online help offers a wealth of information about the various divisions of the CPAIS application. The link will open the CPAIS Online Help homepage where you may select any CPAIS help topic. Be sure to bookmark the page!
Quick Guides	Coming Soon.
