FMS CPAIS Real Property Release Results – Action Items (AI)
September 22, 2017 (Scheduled)

All CRs were implemented successfully unless otherwise noted.

Change Request (AI)	Description	Agency	Release Results
32522	Update the Government Share O&M script to isolate the zero annual operating cost calculation and the non-zero calculation. This change will prevent the Government Share O&M job from prorating the amount based on the annual operating cost when the annual operating cost is zero.	Department Wide	
32772	Exclude Wareyard Size data from Building Square footage calculations.	Department Wide	
32834	Modify the Facility Master Plan form to enable the Gross Square Foot (GSF) field to correctly display the GSF amount for USDA Owned and Trust buildings and the Total Rentable SF for all buildings. Also, modify the code for the FRPP Explorer form to display the GSF amount for USDA Owned buildings and the Total Rentable SF for Leased, State and Foreign Owned buildings in the Square Footage fields on their respective FRPP form tabs.	Department Wide	
32862	Update the Buildings form (all versions) to enable query criteria (with operators) to be entered into the Total Rentable SF and Total Usable SF fields. The Owned Property, Maintain Property and Explorer-Property forms will be updated.	Department Wide
