

On October 14, 2010, the following changes were implemented into the CPAIS Real Property Application:

1. The **GSA Assignments Form** was modified to be updateable by the user for more accurate GSA assignment maintenance.
2. The **Leased Features and Leased Building Space Discoverer Reports** selection criteria were modified to ensure that all leased data is reflected on the reports.
3. The **RPA107L Feature Inventory Report** was modified to display the data in ascending order by agency, org, project group and asset id. New parameter fields were added and the header fields were also updated.
4. As agencies implement into FMMI their financial transactions must be converted to reflect the necessary FMMI accounting fields. The following agencies were converted: FA, 37, 07, 08, 30 & 37 as FMMI agencies.
