

MINC November Release Update

Version MINC_11_19_001

Change Request (RFC)	Description	Agency	Release Results (All CRs were implemented successfully unless otherwise noted)
33958	Modify the Payment/Corrections screen and the Produce 1099's History screen to allow a process by which the user can Undo/Delete/Reverse a processed PDF Vendor File or IRS File in the History file (Produce 1099 tab) before it's sent to the Bulk Vendor and/or IRS.	ALL	11/06/2019
33956	Modify MINC 1099 Reporting process to NOT create a 1099 when the net result of the payment category is a negative dollar amount.	ALL	11/06/2019
34069	Modify the FMS MINC 1099 is modified to ensure correct Grant, Miscellaneous and Interest payments are identified, processed and reported to the IRS correctly.	ALL	11/06/2019
33962	Revise BOC crosswalk for 1099-G to include two new payment categories: Agriculture Payments and Market Gains.	ALL	11/06/2019
34068	Add "Action Code" & "Notes" fields from the Make Correction screen as a column in several areas. The Action Code field is not shown anywhere else until the IRS Text file is created.	ALL	11/06/2019
34067	Update the email address for the IRS FILE field position 359-408 to remove "cfo".	ALL	11/06/2019
