<b>Project#</b> 36911	<b>Project Title:</b> Remove Children of Same Sex Domestic Partners Coding from FEHB Enrollments	<b>Date Prepared:</b> 10/30/2018
--------------------------	--	-------------------------------------

**Version 1.0**

**As of:**

<b>Scope:</b>	Prior to the 2016 Plan Year open enrollment period, systems modifications were implemented under Project 685780 to afford domestic partner to enroll their step-children in FEHB. The OPM-issued BAL 15-207 reverses previous guidance allowing coverage under FEHB and FEDVIP to be extended to children of same sex domestic partners living in states that did not recognize marriage. The capability to remove previously eligible step-children will be maintained to afford HR offices the capability to take the necessary action in the systems.
<b>Assumptions:</b>	Based on the Supreme Court's decision in the Obergefell v. Hodges case, all states are now required to allow same sex couples to marry. Therefore, no new step-children will be eligible for FEHB and FEDVIP enrollment because no employees or annuitants live in states where they are not allowed to marry.
