

Special Interest:

- **November Monthly Meeting at Smilie's Restaurant in Harahan, LA on November 19**
- **November Speaker is F.B.I. Special Agent Greg Fee**

President's Message

Well, another month down and another great meeting. October's meeting was a great one, even though it was at Cafe Carmo in the city on the same night as the New Orleans Saints' football game we had a great time. We had members of the Department of Energy's Cyber Security Team to provide us with a great presentation on cyber security issues. Cafe Carmo did a wonderful job as well.

This month in November I would like all of you to think about those that do not have the resources to provide the commercial Thanksgiving dinner for their families or have the resources to go home to be with their family. If you know somebody that is in need of a friend or a stand-in family, take a second thought and invite them over to your house, it can make all of the difference in the world.

It is the beginning of the Holiday Season and people are a little more generous, so we also need to be careful. This month's meeting will show us some cyber financial crimes to be on the lookout for in order that we might not become a victim. Ida will send out the information in its normal format. The meeting is at Smiley's in Harahan on November 19, starting at 5:30 with our networking hour and dinner starting at 6:00 and speaker at 6:30.

As some of you all know my family is expecting another baby in the first couple of weeks in November. I will be taking a step back for a couple of months to be with my family as we welcome our new child. In my absence Darrell Kennedy the President-Elect will be standing in for me. I would like to say thank you to Darrell and the chapter for your support. I will keep you all informed on how things are going.

See you at the November meeting next week. Please RSVP for the meeting by Friday, November 13 with Tonia Adams at tmtadams@gmail.com or Ida Holmes at iholmes@stjohn.k12.la.us.

Brandon McNabb
President
